PROFESSIONAL PROFILE

Bachelor in Social Communication from the National University of Rosario, focused on digital project management, cross-functional coordination, and stakeholder management. I coordinate digital projects end to end, aligning Product, Technology, Design, and Services teams, organizing workflows, and improving processes. My technical background and hands-on full-stack development experience let me engage technical teams and translate needs between business, product, and technology.

PROFESSIONAL EXPERIENCE

Digital Project Coordination & Full Stack Development — e-ducativa S.A.

09/2022 – Present | Rosario, Argentina

- Coordinated and facilitated weekly meetings with Technology, Services, and the Product Owner, tracking progress, priorities, blockers, and next steps.
- Bridged communication across Product, Technology, Design, and Services, translating needs between teams and keeping initiatives aligned.
- Managed workflow and task tracking in Trello for cross-functional teams: owners, statuses, and priorities.
- Updated functional documentation and product wikis, and developed features on the EdTech platform (2.5M+ users across 13 countries, 600+ institutional clients) as technical support to the product strategy.
- Co-led the redesign and launch of the corporate website (built on WordPress) alongside a graphic designer, coordinating communication, content structure, and implementation.
- Planned and coordinated the monthly product newsletter, compiling and organizing product updates from Product, Technology, and Services.
- Contributed to brand identity consistency across the redesigned website and product newsletter, reinforcing the company's visual and editorial voice.

Digital Communication Manager — 3Factor Design

12/2025 – Present | Rosario, Argentina

- Planned the digital communication strategy, aligning brand identity, editorial calendar, and commercial goals.
- Managed social media: produced content, set the publishing calendar, and grew community engagement.
- Analyzed reach and engagement metrics to optimize content, and responded to client commercial inquiries.
- Built the brand identity from launch: name, visual system, communicational tone, and commercial presentation.

Audiovisual & Content Producer — GGWP (MargaTV)

04/2026 – Present | Rosario, Argentina

- Defined the editorial planning and the show's weekly rundown: blocks, topics, timing, and live dynamic.
- Coordinated content production, show clips, and the promotion of each broadcast with the social media and design teams.
- Supervised the post-broadcast review of each episode, identifying highlights and reusable fragments for social media.
- Managed interviews with industry figures and developers from the local gaming culture, coordinating guests and production needs.
