Facundo Ignacio García Mata

Technology Marketing · Communication Strategy · Cross-functional Project Coordination

Rosario, Argentina · figarciamata@gmail.com · linkedin.com/in/facundogm

PROFESSIONAL PROFILE

Communications professional working at the intersection of technology, marketing, and content. Bachelor in Social Communication (Universidad Nacional de Rosario) with a technical degree in IT. At Tu Estudio Amigo I take part in planning monthly communication strategies for different brands, in direct contact with clients, turning their goals into campaigns, content calendars, and content. At e-ducativa —an EdTech platform with 2.5M+ users across 13 countries— I coordinate initiatives across Product, Technology, Design, and Services, develop product features, and translate technical and product updates into clear communication. Looking to grow into technology and partner marketing. Advanced English (C1).

PROFESSIONAL EXPERIENCE

Communication & Content Strategist — Tu Estudio Amigo

06/2026 – Present | Rosario, Argentina

- Take part in planning monthly communication strategies for the studio's brands and clients, working with the owners and the digital marketing lead (focused on paid media) and progressively taking on more responsibility for communication strategy.
- Join weekly conversations and meetings with clients, listening to their needs, goals, and communication challenges and translating them into concrete strategies, campaigns, and content.
- Plan campaigns and communication actions and build content calendars for brands with different audiences and contexts, including a hair salon brand present in Argentina, Uruguay, and the United States, a food and gastronomy brand, and a coworking space.
- Script Reels and other content pieces. Started with Reels scripting (including content for an AI training program), then moved on to the communication strategy for a coworking space and, progressively, other clients.

Digital Project Coordinator · Full Stack Developer — e-ducativa S.A.

09/2022 – Present | Rosario, Argentina

EdTech (LMS) platform with 2.5M+ active users across 13 countries and 600+ institutional clients.

- Coordinated cross-functional initiatives across Product, Technology, Design, and Services, translating technical and business needs into clear communication and keeping stakeholders aligned on priorities.
- Planned and coordinated the monthly product newsletter, turning updates from Product, Technology, and Services into a single channel that reinforced product awareness across the company.
- Co-led the redesign and launch of the corporate website (WordPress) with a graphic designer, taking messaging, content architecture, and implementation from concept to delivery.
- Developed platform features with the engineering team (JavaScript, HTML/CSS, SQL, Perl), maintained functional documentation and product wikis, and drove internal adoption of AI-assisted workflows (Claude / Claude Code).
- Facilitated weekly cross-functional meetings with Technology, Services, and the Product Owner, tracking progress, priorities, blockers, and next steps, with task tracking in Trello.

Digital Communication Manager — 3Factor Design

12/2025 – Present | Rosario, Argentina

- Planned the digital communication strategy for a design studio from launch, aligning brand positioning, editorial calendar, and commercial goals.
- Produced social media content, handled audience interaction and client commercial inquiries, and used reach and engagement metrics to adjust content.
- Built the brand identity from scratch: name, visual system, tone of voice, and commercial presentation.

Content & Streaming Producer — GGWP (MargaTV)

04/2026 – Present | Rosario, Argentina

- Produced a weekly streaming show on gaming and digital culture: editorial planning, rundown, topics, and live dynamics with the hosting team.
- Prepared interviews with game developers and figures from the technology and gaming industry: background research, topic and question design, and guest coordination.
- Took part in industry event coverage and coordinated the derivative pieces from each broadcast and coverage with the social media and design teams.
- Worked on the broadcasts and derivative pieces feeding the project's Instagram account: 139,000+ viewers and 237,000+ Reel plays over the last 90 days (organic).

FEATURED PROJECTS

Sie7e Memorias Desde La Sombra

02/2025 – 05/2026

Role: Author, project manager, and producer.

- Developed an educational local-memory device with transmedia narrative, augmented reality, archive, and testimonies.
- Coordinated content production within the interdisciplinary XperienciaUNR open call.
- Completed and presented a functional prototype as my final degree project. Final grade: 10.

24 Veces Diciembre

10/2025 – 01/2026

Role: Direction, production, screenplay, and editing.

- Directed and edited a documentary on memories, testimonies, and imprints linked to December 2001 in Rosario.
- Contributed to narrative development, audiovisual production, and editing.
- Completed and presented the documentary as the final project for the elective Technological Audiovisual Training. Final grade: 10.
