PROFESSIONAL PROFILE

Communications professional who connects technology, products, and people through strategic communications, storytelling, and cross-functional collaboration. Bachelor in Social Communication (UNR) with a technical background and product experience inside a high-scale EdTech platform (2.5M+ users, 13 countries, 600+ institutional clients). I coordinate digital projects end to end —aligning Product, Technology, Design, and Services— and translate complex technologies into clear, customer-facing communication: product messaging, newsletters, websites, and brand storytelling. At Tu Estudio Amigo I take part in monthly communication strategies for different brands, in direct contact with clients. Comfortable in remote, async, and Agile environments.

PROFESSIONAL EXPERIENCE

Communication & Content Strategist — Tu Estudio Amigo

06/2026 – Present | Rosario, Argentina

- Work with the studio's owners and digital marketing team on monthly communication and content strategies for clients, progressively taking on more responsibility for communication strategy.
- Hold weekly client meetings: gather their communication needs and goals and translate them into concrete strategies, campaigns, calendars, and content, coordinating delivery with the internal team.
- Develop editorial calendars and content plans around each brand's goals, and take part in defining campaigns and communication actions.
- Took part in the communication and content strategy of a hybrid coworking, café, events, and podcast space: monthly strategy, editorial calendar, and publishing plan with coworking, food, educational, event, and people-centered content aimed at positioning, on-site visits, and digital inquiries.

Content & Streaming Producer — GGWP (MargaTV)

04/2026 – Present | Rosario, Argentina

- Defined the editorial strategy and weekly content plan for a live program, setting topics, structure, and messaging priorities.
- Coordinated external communication and per-episode promotion with the social and design teams, aligning messaging for each broadcast.
- Reviewed each broadcast to shape follow-up audience communication and surface key messages for distribution.
- Prepared interviews and coordinated external guests and industry stakeholders, owning editorial briefing, stakeholder communication, and communication logistics.
- Took part in the project's communication and content strategy and in coverage of industry events, with production coordination so each coverage could later become social media content.
- Worked on the broadcasts and derivative pieces that feed the project's Instagram account, which reached 139,000+ viewers and 237,000+ Reel plays over the last 90 days.

Digital Communication Manager — 3Factor Design

12/2025 – Present | Rosario, Argentina

- Defined the digital communication strategy, aligning brand identity, editorial calendar, and commercial goals.
- Produced content and ran the social channels on a publishing calendar aligned with brand strategy.
- Analyzed reach and performance metrics to refine content, and fielded client commercial inquiries.
- Launched the brand identity from the ground up: name, visual system, tone of voice, and commercial presentation.

Digital Project Coordinator & Product Communications — e-ducativa S.A.

09/2022 – Present | Rosario, Argentina

- Led cross-functional alignment across Product, Technology, Design, and Services, translating technical initiatives into clear customer-facing communication and keeping stakeholders aligned on priorities.
- Owned the monthly product newsletter end to end, turning updates from Product, Technology, and Services into a single centralized channel that reinforced internal alignment and product awareness across the company.
- Co-led the redesign and launch of the corporate website (WordPress), aligning messaging, content architecture, and brand voice from concept to delivery.
- Facilitated weekly cross-functional meetings with Technology, Services, and the Product Owner, preparing briefing materials and tracking priorities, blockers, and next steps.
- Strengthened brand consistency across the website and product newsletter, reinforcing a unified editorial and visual voice.

- Authored and maintained product documentation and wikis for a high-scale EdTech platform (2.5M+ users, 13 countries, 600+ institutional clients), partnering with engineering teams to translate technical features into clear, accessible product messaging.
- Coordinated cross-functional workflows in Trello, keeping owners, priorities, and delivery status visible across teams.
