Facundo Ignacio García Mata

Creative Producer · Content · Social Media · Audiovisual Production

Rosario, Argentina (GMT-3) · figarciamata@gmail.com · linkedin.com/in/facundogm

PROFESSIONAL SUMMARY

Creative producer working across content strategy, social media, and audiovisual production. I produce a weekly live show on gaming and digital culture, work with the social media and design teams to turn each episode into Instagram content, develop content strategies, calendars, and Reels scripts for the clients of a communication studio, and run social media and brand communication for a design studio. Four years at e-ducativa, a multi-tenant EdTech platform (2.5M+ users, 13 countries), give me a working knowledge of digital products, SaaS, and AI-assisted workflows. Social Communication degree; native Spanish, English C1.

CORE COMPETENCIES

Creative & content production · Video production & editing · Social media content · Content strategy & editorial planning · Campaign & creative concepts · Scriptwriting & rundowns · Interview research & guest briefing · Brand identity & tone of voice · Client communication · Product communication (SaaS/EdTech) · Organic reach & engagement analysis · Cross-functional coordination · AI-assisted workflows

PROFESSIONAL EXPERIENCE

Communication & Content Strategist — Tu Estudio Amigo

06/2026 – Present | Rosario, Argentina

- Work on content strategy and editorial planning for the studio's clients: monthly strategies, content calendars, and campaign and communication actions defined with the owners and the digital marketing team.
- Script and conceptualize content pieces —mainly video and Reels— for brands across sectors; started out scripting Reels for an AI training program.
- Took part in the content strategy of a hybrid coworking, café, events, and podcast space: monthly strategy, editorial calendar, and coworking, food, educational, event, and people-centered content.
- Join weekly client meetings, turning their needs into concrete content plans and coordinating delivery with the internal team.

Content & Streaming Producer — GGWP (MargaTV)

04/2026 – Present | Rosario, Argentina

- Produce a weekly live show on gaming and digital culture (rundown, segments, topics, timing, and on-air dynamics with the hosts) and coordinate each episode's clips and derivative pieces for Instagram with the social media and design teams.
- Work on broadcasts and derivative pieces feeding the project's Instagram account, which reached 139,000+ viewers in the last 90 days (organic): 237,000+ Reel plays, 3,400+ shares, and 1,600+ saves.
- Prepare interviews with game developers, industry figures, and gaming-culture initiatives: background research, topic and question design, guest briefing, and logistics.
- Review every broadcast after air to identify highlights, content opportunities, and production adjustments for the next episode.
- Contribute to the project's content strategy and take part in industry event coverage, coordinating production needs so each event can be turned into social content.

Digital Communication Manager — 3Factor Design

12/2025 – Present | Rosario, Argentina

- Define the studio's digital communication strategy and editorial calendar, aligned with its brand identity and commercial goals.
- Produce and publish social media content and manage the brand's community.
- Built the brand identity from scratch: name, visual system, tone of voice, and commercial presentation.
- Analyze organic reach and engagement metrics to adjust content, and respond to commercial inquiries from clients.

Digital Project Coordinator & Product Communications — e-ducativa S.A.

09/2022 – Present | Rosario, Argentina

Multi-tenant EdTech (LMS) platform used by 2.5M+ users in 13 countries and 600+ institutional clients.

- Coordinate communication between Product, Technology, Design, and Services, translating technical and product needs between teams and keeping initiatives aligned.
- Plan and coordinate the monthly product newsletter, compiling and organizing updates from Product, Technology, and Services.
- Co-led the redesign and launch of the corporate website (WordPress) with a graphic designer, coordinating communication, content structure, and implementation.
- Run weekly meetings with Technology, Services, and the Product Owner to track progress, priorities, blockers, and next steps; manage task tracking in Trello.

- Maintain functional documentation and product wikis, and share internal improvements for the team’s use of Claude and Claude Code as it moves toward AI-assisted workflows.
- Build and maintain features for one of the platform’s flagship products (JavaScript, HTML/CSS, SQL, Perl).

SELECTED PROJECTS

24 Veces Diciembre — Documentary

10/2025 – 01/2026 · Final project, Technological Audiovisual Training elective (UNR)

Role: Director, producer, screenwriter, and editor.

- Took a documentary on memories and testimonies linked to December 2001 in Rosario from narrative development through audiovisual production to the final edit. Final grade: 10.

Sie7e Memorias Desde La Sombra — Transmedia & AR project

02/2025 – 05/2026 · Final degree project, XperienciaUNR interdisciplinary open call (UNR)

Role: Author, project manager, and producer.

- Produced the content for a hybrid print and augmented reality experience: archive and documentary research, an in-depth interview, and curation and editing of text, photo, and video material.
- Designed a modular content structure (shared elements for every story, specific elements per case) so the piece scales without redesign; coordinated Design and Development deliverables. Final grade: 10.

EDUCATION

Bachelor in Social Communication — Universidad Nacional de Rosario

03/2020 – 05/2026

Final GPA: 8.97 / 10.

Technical degree in Professional and Personal IT — Instituto Politécnico Superior "General San Martín"

03/2013 – 12/2018

Technical training in programming, networks, systems, service administration, and digital production.
